

Press Release

Wetton/Cape Town 8st of January 2025

RONAL Bathrooms SA (PTY) Ltd is expanding in the South African market with high quality bespoke and standard shower screens and enclosures. Sales, Design, Installation and Service are conducted through the experienced team in the company headquarters in Wetton, Cape Town.

RONAL Bathrooms SA (PTY), manufacturer of shower enclosures in Cape Town for 29 years and part of the RONAL Bathrooms, Division of the Swiss RONAL GROUP, is expanding in the South African market from January, offering high quality bespoke and standard shower screens and enclosures. A further expansion of European designed and manufactured RONAL Bathrooms products is planned for the near future.

Sales, highest quality, design, installation and after sales service of bespoke and standard shower screens and enclosures of RONAL Bathrooms SA is handled by an experienced team, with over 35 years of expertise in the South African shower market.

Gary Crawford, Managing Director RONAL Bathrooms SA:

“We see a huge potential with high quality bespoke and standard shower solutions throughout the South African market, including the renovation and new build sector. We see opportunities with consumers, builders, architects from small to large projects. Most of products are designed, produced and assembled in our two factories in Cape Town. We are delighted to have gained a very experienced shower specialist in Dez Randall for RONAL Bathrooms SA”.

Dez Randall, former Signature Shower Designs and new Sales Director of RONAL Bathrooms SA:

“The team of RONAL Bathrooms is experienced in creating stunning, high-quality custom shower designs, whether the customer is looking for a modern, minimalist design or something more traditional. With the enlarged high quality product portfolio of RONAL Bathrooms, we have fantastic opportunities to offer our customers high-quality shower solutions with reliable services across South Africa”.

The new Sales team, the enlarged production, as well as installation and after sales services of RONAL Bathrooms SA will commence activities at the beginning of January in Cape Town. The opening of the showroom in Wetton, where major industry partners will be invited and all products are on display, is targeted for the first quarter of 2025.

Olivier Gunther, Sebastian Hainz and Andreas Jauch, Managing Directors of RONAL Bathrooms Group are strongly convinced of the potential of RONAL Bathrooms SA, offering high quality bespoke and standard shower solutions, produced and designed in and for the South African market:

“The South African construction market is expected to grow constantly the coming years and there is a clear demand for high-quality bathroom products that offer excellent value for money and that are tailored to the requirements of end customers in terms of function and design. RONAL Bathrooms' local production in Cape Town offers highest quality on European standards and guarantees fast delivery times. High-quality shower solutions with a good price-performance ratio and outstanding service are the core competences of RONAL Bathrooms, which is represented in the main European markets, but also in other selected overseas markets. The RONAL Bathrooms Group is constantly growing. We are proud to expand the business of RONAL Bathrooms SA and are confident of a successful continuation in the South African market“.

About RONAL Bathrooms SA (PTY) Ltd

Founded in 1995 mainly catering for the SA market. It began exporting Shower enclosure systems in 2000 to the UK and USA. RONAL Bathrooms SA has always designed, developed and supplied its own products into these markets and only recently decided to begin installing standard and bespoke showers into the South African market.
